EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eugene Perez on 1/26/2007.

In the specification,

Before the first line of page 1, insert "This application is filed under 35 USC 371, and claims the benefit of PCT/JP04/04185, filed 03/25/2004."

In the claims,

Claim 3, line 1, replace "composition," with "composition according to claim 1, or";

Claim 4, line 1, insert "according to claim 1," after "composition";

Claim 8, line 2, replace "or 2," with "or the organic solvent solution or the slurry containing the composition according to claim 2,";

Claim 11, line 1, replace "composition, or" with "composition according to claim 1, or";

Claim 11, line 2, delete "1 or";

Claim 12, last line, replace "any one of claim 1 to 6" with "claim 1, or the organic solvent solution or the slurry containing the composition according to claim 2".

Art Unit: 1621

The following is an examiner's statement of reasons for allowance:

A search of the prior art failed to uncover a reference that teaches or suggests a catalyst composition, or solvent or slurry containing the catalysts composition, wherein the catalyst composition comprises a compound of formula (1) with the required Lewis acids (c-2).

In this regard, U.S. 6,469,198 to Suzukamo et al. is the closest prior art. However, this reference fails to teach the required Lewis acids (c-2). Moreover, this reference fails to motivate those of ordinary skill to modify its disclosure to include the required Lewis acids.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karl J. Puttlitz whose telephone number is (571) 272-0645. The examiner can normally be reached on Monday to Friday from 9 a.m. to 5 p.m.
